SPY CODE ACTIVITY

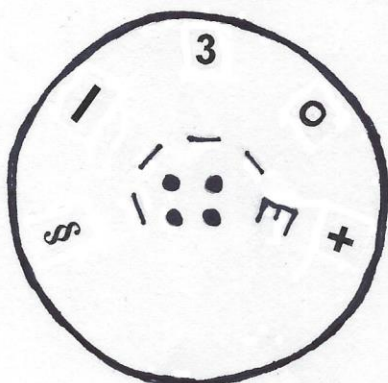

Nathan found an enemy spy code message on a button, but he couldn't read it. Can you crack this code and figure out what is written on these buttons?

Here are the symbols:

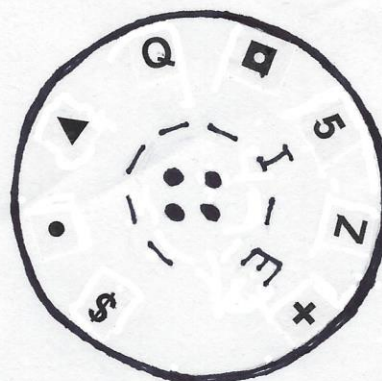

+ ▲ * 9 § ○ 3 Z 5 — \$ # Q • ↑ K ■

Each symbol stands for the same letter in all four buttons.

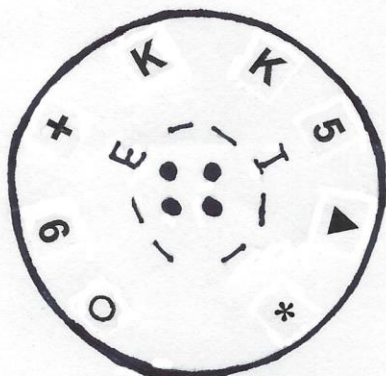

(Hints: every + is an E and every 5 is an I)

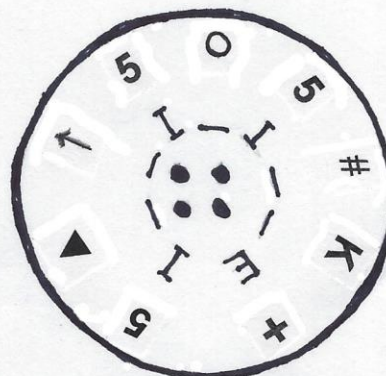

What animal did Nathan bring into the house?

What explosive did Nathan find?

What subject did Nathan struggle with in school?

What kind of ink did spies use to write secret messages?
